Re: Friendly Reminder

We just wanted to send all owners a friendly reminder that all meeting notices, meeting minutes, etc are now available on the homeowners' website at www.sagewoodsubdivision.com

Also, during our last meeting on November 8, 2008, it was brought to our attention that there have been issues with barking dogs outside of our subdivision. If you are having problems with barking dogs (or other pets) either outside our subdivision or within our subdivision, please contact the Town of Hayden to make a complaint.
